Survey Request

The Iowa Section of ASCE is in the process of evaluating the applicability of a Report Card for Iowa's Infrastructure. To help further discussions and determine if a Report Card would aid Iowa citizens, communities, and policy makers; the Iowa Section would like your participation in a very short and simple survey questionnaire. The questionnaire only takes a minute to answer.

Portion of Webinar Proceeds Go Back to Section

ASCE has recently instituted a special program in which Sections can receive an allocation from webinar proceeds if the webinar registrant enters a specific code during the checkout process. If this code is entered, the Section will receive 20% of the gross revenue generated from sales of ASCE webinars to members whose address of record is in the Section. Just follow the links below when registering for a webinar and help our Section!
